

Australian Toy Association

ATA COVID Safety Plan

The ATA has implemented measures alongside the venue to ensure the safety of all visitors of the event:

- Social/Physical Distancing: Achieved through physical distancing of people from each other, aisleway widths, room capacities, and barrier separation.
- Hygiene/Hand Washing Maintaining high levels of personal hygiene, especially hand hygiene, and in some circumstances the use of PPE for designated sectors and individuals
- Cleaning/Sanitisation: High level, frequent cleaning with effective methods that eliminate the virus.

Further, we ask that visitors apply their due diligence and comply with the following measures:

- Do not attend any ATA events if you are feeling unwell or experiencing any of the following symptoms: fever, cough, runny nose, sore throat, loss of smell or taste, shortness of breath
- Signage and directives will be in place at the venue pertaining to distancing and this must be abided to
- All visitors must maintain safety practices throughout their visit including regular handwashing, social distancing and other hygiene practices
- Regularly sanitise your hands using the sanitizer provided, particularly upon entry, exit, and before and after eating
- Maintain a physical distance from others where possible
